**Extruded non skid running board rear**

**Tread plate heavy gage fenders**

Alumne is a leader for Aluminum Trailers in the green industry. Our trailers are made from high-quality, corrosion-resistant Aluminum Extrusion specifically designed to be lighter, stronger, and more durable. With fuel cost going higher every day the Alumne Lawn Maintenance Trailer is the ultimate solution for lawn maintenance contractors. It has an all aluminum frame structure, increasing pay load, eliminating preventive maintenance and maintaining its value. The entire trailer can be cleaned with pressure washing. All lighting is LED and the electrical system is sealed. By combining these innovative techniques along with proprietary Alumne extrusions, Alumne has created the best trailers in the industry.

**Full width ramp gate with single lever lock**

**Extruded non slip gate surface with spring assist**

**Ramp gate deadbolt & lever lock**
