***Lighten your load***

Allow us to introduce you to a better line of products...

# A Quality Aluminum Product that Hauls More Payload

Alumne is a leader for Aluminum Truck Bodies in the green industry. Our bodies are made from high-quality, corrosion-resistant 6061-T6 Aluminum Extrusions specifically designed to be lighter, stronger, and more durable. With fuel cost going higher every day the Alumne Dump Body is the ultimate solution for landscapers. It is all aluminum, increasing pay load, eliminating preventive maintenance and maintaining its value. The entire body can be cleaned with pressure washing. All lighting is LED and the electrical system is sealed. By combining these innovative techniques along with proprietary extrusions, Alumne has created the best truck bodies in the industry.
